CEFR Level B1 INDEPENDENT USER

Has a sufficient range of language to describe unpredictable situations, explain the main points in an idea or problem with reasonable precision and express thoughts on abstract or cultural topics such as music and film. Has enough language to get by, with sufficient vocabulary to express themselves with some hesitation and circumlocutions on topics such as family, hobbies and interests, work, travel, and current events, but lexical limitations cause repetition and even difficulty with formulation at times

Q.1 B1

Skills	Skill Score	Weightage
Phonological Control Can generally use appropriate intonation, place stress correctly and articulate individual sounds clearly; accent tends to be influenced by the other language(s) they speak but has little or no effect on intelligibility	63.73%	15%
Grammar Shows only limited control of a few simple grammatical structures and sentence patterns in a learned repertoire.	30%	20%
Comprehension The content touches on the main topic with fewer diversions. However, a few sentences continue to act as fillers, and the ideas are not presented in a sequential manner.	45%	15%
Vocabulary Has sufficient vocabulary to conduct routine everyday transactions involving familiar situations and topics. Has sufficient vocabulary for the expression of basic communicative needs. Has sufficient vocabulary for coping with simple survival needs	35%	30%
Fluency Can produce stretches of language with a fairly even tempo; although they can be hesitant as they search for patterns and expressions, there are few noticeably long pauses. Can interact with a degree of fluency and spontaneity that makes regular interaction with users of the target language quite possible without imposing strain on either party.	67.22%	20%

CEFR Level B2 INDEPENDENT USER

The text uses a good range of vocabulary & the formulation varies to avoid repetition. The topic is described using mostly simple language structures and some complex grammatical forms without diversions.

Q.1 B1

Skills	Skill Score	Weightage
Vocabulary Has a good range of vocabulary related to familiar topics and everyday situations. Has sufficient vocabulary to express themselves with some circumlocutions on most topics pertinent to their everyday life such as family, hobbies and interests, work, travel and current events	55%	10%

Skills	Skill Score	Weightage
Grammar Communicates with reasonable accuracy in familiar contexts; generally good control, though with noticeable mother-tongue influence. Errors occur, but what they are trying to express is clear.Uses reasonably accurately a repertoire of frequently used “routines” and patterns associated with more predictable situations.	48%	20%
Orthographic Control There are no hurdles in terms of intelligibility. However, layout and punctuation may present a few errors.	50%	10%
Thematic Development Can follow the conventional structure of the communicative task concerned when communicating their ideas.They can develop a clear description or narrative, expanding and supporting their main points with relevant supporting details and examples.Can develop a clear argument, expanding and supporting their points of view at some length with subsidiary points and relevant examples.Can evaluate the advantages and disadvantages of various options.The text clearly differentiates between fact and opinion.	58%	10%
Coherence & Cohesion The text mostly organized ideas into a meaningful sequence with adequate topic progression. Ideas are generally relevant to the task. Links a series of shorter, discrete, simple elements into a connected, linear sequence of points.	55%	20%
Comprehension The text does not contain diversions and is relevant to the topic provided. The ideas introduced are few but are elaborated on using simple language.	58%	30%

Note: Only average percentage will be displayed for AI Written/ Spoken Evaluation question type.

Q.2 B2

Skills	Skill Score	Weightage
Vocabulary Can understand and use the main technical terminology of their field, when discussing their area of specialisation with other specialists. Has a good range of vocabulary for matters connected to their field and most general topics.Can vary formulation to avoid frequent repetition, but lexical gaps can still cause hesitation and circumlocution.Can produce appropriate collocations of many words/signs in most contexts fairly systematically.Can understand and use much of the specialist vocabulary of their field but has problems with specialist terminology outside it.	65%	10%
Grammar Good grammatical control; occasional “slips” or non-systematic errors and minor flaws in sentence structure may still occur, but they are rare and can often be corrected in retrospect. Shows a relatively high degree of grammatical control. Does not make mistakes that lead to misunderstanding. Has a good command of simple language structures and some complex grammatical forms, although they tend to use complex structures rigidly with some inaccuracy	60%	20%
Orthographic Control There are no hurdles in terms of intelligibility. However, layout and punctuation may present a few errors.	55%	10%
